President's Letter

This year certainly offered some very interesting challenges and opportunities for the league to complete our mission in advocacy and education. I want to highlight league activities from local, county, state and national perspectives and look briefly at what is coming in 2010 – 2011. None of this work happens without the support of the board of directors and our members. The first year as president of any organization can be difficult, but mine was made easier because of all of you. Thank you all so very much!

Thank you to Joan Fefferman and the staff at The Bank Restaurant for a delightful meal and venue for our Annual Meeting.

What happened this year?

The **2010 Census** was a key focus for the state and national organization. The Wheaton LWV took a leadership role with the other DuPage County leagues, the Citizens Advocacy Center, College of DuPage and the DuPage County to form DUPAGE COUNTS! The goal was to inform and educate county leaders of the importance of Census 2010 and gain their support in forming Complete Count Committees (CCC) to further educate the public. We served on CCC for Wheaton and Carol Stream, working with other leaders in each community to spread the word.

Hand in hand with the Census is redistricting which will be a focus for 2011. There is the possibility of a constitutional amendment to put the process in the hands of an independent commission. The **LWVIL sponsored Illinois Fair Map Amendment petition drive** fell short of signatures, in spite of the good efforts of members. Thanks to Frank Goetz, Beth O'Malley, Diane and Denise Niesman, Liz Quigg and anyone I missed for collecting hundreds of signatures!

The early primary generated a flurry of candidate forums all over the county. We co-sponsored **Candidate Forums with the Glen Ellen LWV and the Wheaton Chamber of Commerce** on January 6th & 7th for contested primary races including Forest Preserve, Districts 4 & 6,

DuPage County Board, Districts 4 & 6 and County Board Chairman. Candidates for other uncontested races were also able to speak to an audience of over 100 each evening. It is fair to characterize much of our focus this year, both locally and statewide, as related to economic issues. We supported the LWVIL efforts to lobby representatives to support HB 174 and worked with Jan Kay and the Responsible Budget Coalition to better address issues raised by the legislators. House Bill 174 would change the Illinois tax structure in a number of ways. Look here for information on the bill, I'm pretty sure this will remain an issue through the fall elections http://www.lwvil.org/TFA10_HB174_QA.pdf.

Finally, I don't want to forget this: [House Finally Passes Comprehensive Health Care Reform](#) - Mar 22, 2010 *League calls closely fought victory monumental, historic and transforming.* If you called your senator or congressman, you played an important advocacy role. This is what League is all about!

What's coming up now and for 2010-2011?

Your new **Board of Directors** meets on **June 3rd** to plan for the coming year. I am delighted to welcome back Roberta Jacobson, Denise Niesman, Liz Quigg, Olga Rammer, Frank Goetz, Joan Fefferman, Allene Harding, Charlotte Murphy, Diane Niesman, and Beth O'Malley. I want to welcome Denise Curtis to the board.

Look for your **Voter Registration Team on Saturday, June 5th** at the Taste of Wheaton. Beryl and Roberta Jacobson will join me at the **LWV National Convention in Atlanta June 11 – 15.**

At the annual meeting members voted positively to increase dues to \$65 (individuals) and \$97.50 (family) next year and eliminate of the finance drive for members. Members may still contribute if they wish when they pay the annual dues. We will continue to control our League expenses by better use of electronic forms of communication and reduction of printing and mailing expenses.

2010-2011 Issues and Program Focus

Local	State	National
Mock Elections	Redistricting	Protecting Elections
Candidate Forums	Death Penalty	Climate Change Legislation
Voter Registration		Health Care
Immigration Education		

Please let us know if you have an issue you would like us to study or that provides an opportunity for public education.

I hope everyone has a wonderful summer with your friends and families!

Missey Wilhelm
June 2010

This is the story of our Mothers and Grandmothers who lived only 90 years ago. Remember, it was not until 1920 that women were granted the right to go to the polls and vote.

Source unknown – see more at Page 7

IL FAIR MAP: Where do we go from here?

We were unable to gather enough signatures to get the Fair Map Amendment on the November ballot. Nevertheless, we have been asked by many League members, other partners and the press ***if we will undertake another citizens' initiative in the future.*** Over the summer we will analyze the results of the recent petition drive to determine our strengths and weaknesses and to make recommendations for the future. To those of you who circulated petitions, ***tell us about your experience*** and give us advice about how to do this better the next time. Please email Jan Czarnik - execdirector@lwvil.org - with your ideas. Thanks!

MINUTES OF THE FIFTY-FIFTH ANNUAL MEETING

May 20, 2010

1. The meeting was called to order at 8:40 P.M. by President Missey Wilhelm.
2. A motion was made and seconded to adopt the rules of the annual meeting. The motion carried.
3. A motion was made and seconded to waive the reading of the minutes from the 54rd Annual Meeting and approve the minutes. The motion carried.
4. Carol Honeywell presented the 2010-2011 Proposed Budget and reviewed various changes that were made in expenditures and revenues. Included in the budget was a proposed increase in annual dues to \$65 per person and \$97.50 per household. The League expects to save money by putting more information on the web. The national PMP went up while the state PMP is staying the same leaving \$8.80 of the dues to pay for local activities. Missey emphasized that the League has money to help people who might not be able to afford the higher dues.

Mary Wachter voiced a concern that by going electronic with the Voter and its ads of the businesses, we are not giving the businesses as much free advertising. Missey pointed out that the feedback from the businesses is good and they like the fact that they can have live links to their businesses on the web. Mary reiterated her concern about giving the businesses proper exposure in exchange for their donations. Missey and Lori mentioned the ad we will have in the Chamber of Commerce Business Directory and the new capability to put our events on the calendar on the Chamber's website. The City of Wheaton puts candidates nights on the city calendar as well. Mary hopes that we will make an effort to cover West Chicago, Winfield and Carol Stream in the same way.

A motion was made and seconded to accept the budget. The motion carried.

6. Martha Barmantje presented the by-laws committees recommendation that no changes be made to the by-laws.
7. Beth O'Malley noted the local program will be the same this year.
8. Barb Pape presented the following candidates for two-year terms on the Board of Directors. The motion was made and seconded to accept the nominees. The motion passed.

For Vice-President *Denise Niesman*
For Treasurer *Olga Rammer*

The following Director positions are for two-year terms:

*Denise Curtis
Frank Goetz
Beth O'Malley*

The following are nominees for the 2011 Nominating Committee:

*Jan Kay, Chair
Charlotte Murphy
Barb Pape*

9. Missey Wilhelm recognized the members of the current Board and thanked them for their service.

10. Missey Wilhelm recognized the new Board and made some comments.

11. Missey summarized the major areas covered this year and mentioned the following as major activities for next year:

- Mock Elections
- Candidates Forums with the Chamber of Commerce and the Glen Ellyn LWV
- Voter Registration
- Death Penalty Issue
- Healthcare Reform
- Campaign Finance Reform on the National Level

Missey noted that the presidents of the leagues that would comprise the DuPage InterLeague were still waiting for the State and National to provide feedback on their proposal for working together. Currently the five presidents meet to discuss issues of common interest, draft letters to the editor and publish them once the individual leagues approve them.

12. Missey asked those in attendance to provide direction for the 2010-11 Board. Roberta Jacobson mentioned the immigration issue will be important. Darlene Ruscitti noted that it is important to educate the public on this issue without making it political.

13. The Annual Meeting adjourned at 9:32 PM.

Submitted by: Liz Quigg, Secretary

The League of Women Voters Through the Decades!

Compiled by Kay J. Maxwell

The 1970s:

Organization:

In 1970 the national bylaws requirement for adopting a not-recommended item was changed from three-fifths to a simple majority. "CAs" and "CRs" were dropped from the bylaws, and the national program appeared as one list of issues discussed, amended and adopted at national conventions every two years.

In 1972, Inter-League Organizations (ILOs), created in many parts of the country to deal with regional issues, were added to the formal structure of the League. The 1974 convention also amended the bylaws to allow men to join the League as full voting members.

Issues:

In the early 1970s, the League addressed the issue of income assistance and also began its efforts to achieve a national Equal Rights Amendment, an effort which ultimately failed. The League also adopted a position on direct popular election of the President, on Congress, on the UN and on Campaign Finance. And, in 1976, the League sponsored the first televised presidential debates since 1960, resulting in receiving an Emmy award.

The League's deep interest in the environment was dramatically evident in the 1970s and it has since built a sequence of broad national positions on water, as well as air, waste management, land use and energy.

The 1980s:

Organization:

To broaden membership and address the issue of membership decline, the 1982 convention amended the bylaws to permit member recruitment by the national and state levels, as well as the local level. Convention delegates also called for the development of a long-range plan for the organization. The plan, which defined the League's mission and outlined goals and strategies for the future, was the subject of spirited debate at the convention. During the 1984-88 period the League's long-range plan was refined and updated, then adopted by the 1988 convention with some modifications. These steps, together with the restructuring and streamlining of League Boards, leadership training and an emphasis on modern techniques of management and communication, were evidence of the League's efforts to adapt to the realities of a changing world and to ensure its place as the leading civic organization in the United States.

Issues:

The League was in the forefront of the struggle to pass the Voting Rights Act Amendments of 1982 and contributed significantly to enactment of the historic Tax Reform Act of 1986. It also adopted a position on fiscal policy and one on US Relations with Developing Countries. In the arms control field, LWV pressure helped achieve

Senate ratification of the groundbreaking Intermediate Nuclear Forces Treaty (INF) in 1988. In that same year the League also completed a study of U.S. agricultural policy. And through the Agenda for Security Projects in 1984, 1986 and 1988, the League underwrote some 150 debates focused on national security issues among congressional candidates. The League also sponsored Presidential Debates in 1980 and 1984, but withdrew as a sponsor of General Election debates in 1988. In 1983 the League adopted a position on public policy on reproductive choice.

The 1990s:

Organization:

At the 1996 convention, bylaws changes were made to simplify the process of forming new Leagues by eliminating the provisional League category, and set the procedure for proposing adoption or amendment of an LWVUS position by concurrence on the floor of convention. The LWVUS Future Planning process was also launched at that convention.

At the 1998 convention, the bylaws were amended to provide for communication vehicles other than “snail” mail!

A nationwide brainstorming effort, the Crossroads Project, on the future of the League was set in motion at the 1992 convention, and the resulting recommendations were presented to convention 1994. A 75th Anniversary Membership Campaign was launched in 1994 and included a new member video, “75 Years of a Great Idea”.

Issues:

Members adopted a position on gun control in 1990 and Congress passed reauthorization of the Clean Air Act, capping a ten-year legislative campaign. The League also launched “Take Back the System”, a voter campaign to reclaim government and elections and sponsored a Presidential Primary Debate in 1992. In 1993, the League adopted a position on health care and won passage of the National Voter Registration Act, better known as Motor Voter.

In the last years of the decade, the issue for emphasis, Making Democracy Work, included increasing voter turnout, campaign finance reform, civic education, diversity of representation, civic participation and voting representation for the residents of the District of Columbia. During that same period LWVEF activities included Running and Winning, a program that encouraged young women to consider careers as political leaders, as well as community dialogues on water resources, energy and health care. Following the end of the Cold War, the League began several international programs: hosting emerging women leaders from Poland and Hungary; Strengthening Women’s Rights in the NIS; Voices for Women – Forces for Change: Women’s Leadership Workshops for Russia and Belarus; Voices for Women – Forces for Change: Building Peace in the Bosnian Community; a Bosnian Citizen Get-Out-The Vote Campaign; and Woman Power in Politics: Building Grassroots Democracy in Africa.

In 1998 the Democracy Network (DNet) was tested and then launched nationwide in January 2000. This Internet web site was a major effort to provide information regarding elections to citizens across the nation.

Remember, it was not until 1920 that women were granted the right to go to the polls and vote.

The women were innocent and defenseless, but they were jailed nonetheless for picketing the White House, carrying signs asking for the vote.

And by the end of the night, they were barely alive. Forty prison guards wielding clubs and their warden's blessing went on a rampage against the 33 women wrongly convicted of 'obstructing sidewalk traffic.'

(Lucy Burns)

They beat Lucy Burns, chained her hands to the cell bars above her head and left her hanging for the night, bleeding and gasping for air.

(Dora Lewis) They hurled Dora Lewis into a dark cell, smashed her head against an iron bed and knocked her out cold. Her cellmate, Alice Cosu, thought Lewis was dead and suffered a heart attack. Additional affidavits describe the guards grabbing, dragging, beating, choking, slamming, pinching, twisting and kicking the women.

Thus unfolded the 'Night of Terror' on Nov. 15, 1917, when the warden at the Occoquan Workhouse in Virginia ordered his guards to teach a lesson to the suffragists imprisoned there because they dared to picket Woodrow Wilson's White House for the right to vote. For weeks, the women's only water came from an open pail. Their food--all of it colorless slop--was infested with worms.

(Alice Paul)

When one of the leaders, Alice Paul, embarked on a hunger strike, they tied her to a chair, forced a tube down her throat and poured liquid into her until she vomited. She was tortured like this for weeks until word was smuggled out to the press.

It is jarring to watch Woodrow Wilson and his cronies try to persuade a psychiatrist to declare Alice Paul insane so that she could be permanently institutionalized. And it is inspiring to watch the doctor refuse. Alice Paul was strong, he said, and brave. That didn't make her crazy.

The doctor admonished the men: 'Courage in women is often mistaken for insanity.'

(Conferring over ratification [of the 19th Amendment to the U.S. Constitution] at [National Woman's Party] headquarters, Jackson Place [Washington, D.C.]. L-R Mrs. Lawrence Lewis, Mrs. Abby Scott Baker, Anita Pollitzer, Alice Paul, Florence Boeckel, Mabel Vernon (standing, right))

Workgroup Synopsis

Diversity Frank Goetz

We will renew efforts in the Fall to bring more diversity to our League meetings and membership. We invite your participation and your suggestions.

Environment Diane Niesman

Electronic recycling has returned to Wheaton, and it is better than ever. Virtually ANYTHING that can be plugged in will be accepted, including toasters, alarm clocks, curling irons, vacuums and radios. Exceptions are electronics that contain liquids or other hazardous materials, such as refrigerators and air conditioners.

Collection day will be the second Saturday of each month between 9:00 AM and noon at the Public Works Storage Facility, 821 W. Liberty Drive. June 12 and July 11, 2010 are the next two electronic recycling dates.

Residential energy audits and energy improvement rebates will be available soon for homeowners of single-family homes in Wheaton. Once they become available details will be posted on the City's website, www.wheaton.il.us. Watch for "Turn Wheaton GREEN."

Healthcare OPEN

If anyone is interested in being Chair of the Health Committee, contact Missey Wilhelm.

Wheaton City Council Highlights

May 3, 2010

City Receives Top Bond Rating

The City of Wheaton recently learned that Moody's Investment Service increased the City's bond rating from Aa1 to Aaa, the highest bond rating municipalities can achieve. This rating reflects the credit worthiness of the City and would make it easier to obtain credit for future borrowing.

Council Passes Ordinance Establishing Employee Compensation

The City Council approved an ordinance establishing a one-percent adjustment to the pay steps for non-union employees and not granting step/merit increases or bonuses for non-union employees for fiscal year 2010-2011.

Council Considers Amending Ordinance Regarding Feeding Wild Animals

The Council reviewed the first reading of an amendment to the City Code that would prohibit people from feeding raccoons, skunks, possums and coyotes in addition to the current ordinance, which prohibits feeding feral cats and dogs. The amendment is being

recommended as a result of recent findings that residents are feeding coyotes, which leads to their habituation and increased presence in the community. The ordinance will be formally considered on May 17.

Ordinance Proposes Extension of Home Rule Sales Tax Rate

The City Council received a first reading of an ordinance eliminating the language relating to the date that an increase in the Home Rule Sales Tax rate will expire. This ordinance modification is necessary due to the City's need to retain this revenue for the General Fund. The Council will formally consider the ordinance at its May 17 meeting.

Council Approves Consultant for Wheaton Grand Theatre

The City Council voted 6-1 in favor of approving a contract hiring a consultant for a feasibility study and financial analysis of the possible Wheaton Grand Theatre renovation. Funding for the study will come from TIF Funds.

Meeting: May 17, 2010

Mary Ellen Durbin Recognized for Service to Community

The Council recognized Mary Ellen Durbin, executive director of the People's Resource Center, upon her pending retirement. Durbin has served the organization for 15 years, and during her tenure it has grown to become a full-service agency providing food, clothing and emergency assistance services, a literacy program, computer training and access, job search assistance and art enrichment.

Mayor Gresk presented Durbin with a proclamation thanking her for her service.

Commission Presents 2010 Good Citizen Awards

Community Relations Commission Chairwoman Renée Webb introduced the recipients of Wheaton's 2010 Good Citizen Awards, which recognize outstanding residents who have positively impacted the community. The student category winners are Melissa Fortes, Melanie Milling and Megan Wilt. The adult category winners are Marilyn Berthel, Jeff McGhee, and Steve and Michelle Scholl. The senior category winners are Jane Elliot Hawthorne, Don Immekus

and Joan Reuss. The group category winner is the Wiesbrook Elementary School's Power Paws group.

Council Passes Amendment to Ordinance Regarding Feeding Wild Animals

The Council passed an amendment to the City Code that prohibits people from feeding raccoons, skunks, possums and coyotes in addition to the current ordinance, which

prohibits feeding feral cats and dogs. The amendment was recommended as a result of recent findings that residents are feeding coyotes, which leads to their habituation and increased presence in the community.

Council Passes Extension of Home Rule Sales Tax Rate

The City Council passed an ordinance eliminating the language relating to the date that an increase in the Home Rule Sales Tax rate will expire. This ordinance modification is necessary due to the City's need to retain this revenue for the General Fund.

Council Receives First Reading Regarding Water Rate

The Council received a first reading of an ordinance it will formally consider on June 7 proposing an increase of \$0.25 to the City's water rate. The current water rate will not be able to support current operations and future capital improvements, and the Waterworks Fund is projected to have a \$1 million deficit balance by 2013 if the rate is not increased. The average resident's water bill would increase by about \$3 per month.
